Subject: Extension Request: Discrete Mathematics – Omm Anshuman Jena – 25BAI10437

Dear Professor Kesarwani,

I hope this email finds you well.

I am writing to respectfully request a brief extension for the submission of the Logic and Inference Assignment, which is currently due on 22nd March, 2026. Unfortunately, due to the Power shutdown in Boy's Hostel for the last 2 days, I have encountered an unexpected delay in completing the final sections of the work.

I am committed to maintaining the quality of my submission and would greatly appreciate it if I could submit the assignment by 24th March, 2026. I have attached my current progress for your review.

Thank you for your time and for considering my request.

Best regards,

Omm Anshuman Jena
